Project Management Experts, LLC (PME) is a Project Management Institute (PMI) Premier Authorized Training Partner (ATP #3921). We are a project management training and consulting firm committed to improving the project management competency of our clients. We specialize in training federal project managers because everyone on our team has worked with or for federal agencies. PME offers over 30 instructor-led courses and over 200 online e-learning courses that can be taken on demand. Our training courses match the mandates stated in PMI's revised Continuing Certification Requirements (CCR). We are a one stop shop for all your project management training needs.

QUALITY COMMITMENT

We believe that managing and controlling quality is an ongoing process that begins well before the training is delivered. We engage with qualified and experienced instructors, develop/deliver courses that meet the needs of our students, monitor our performance and continuously improve. Our goal is to achieve a 95% student evaluation score in every class we teach!
